- Final project bootcamp dikerjakan selama **15 hari** kerja dengan pembagian:
 - **10 hari mentoring** dengan DS Expert. Hari ke-10 adalah deadline pengumpulan Notebook final project di Github yang disiapkan oleh Tim Akademik Purwadhika.
 - **5 hari** setiap tim mempersiapkan file presentasi sekaligus diskusi antar kelompok, agar semua kelompok paham keseluruhan project. Di 5 hari ini, para penguji juga bisa mulai **mengambil nilai dari Notebook** yang terkumpul.
 - Setelah itu, seluruh tim akan mulai presentasi final project.

Mentoring Regulation

- Selama *final project bootcamp* berlangsung, tiap kelompok akan didampingi oleh seorang mentor eksternal (*guest mentor*).
- Setiap kelompok akan mendapatkan kesempatan mentoring **1 kali** dalam **1 minggu**. Jadi total 2 minggu x 1 = 2 kali mentoring.
- Alokasi waktu mentoring: **1 jam** atau 60 menit.
- Tidak boleh 2 jam sekaligus dalam sekali mentoring.
- Jadwal mentoring:

 - Minggu: 09.00 – 16.00
- Siswa & mentor **harus mentoring sesuai jadwal (*on time*)**.
- Jadwal mentoring di **Kickstart Meeting** adalah jadwal awal.
- Jadwal mentoring bisa diganti sesuai kesepakatan antara mentor dan kelompok .

Mentoring Regulation

- Jadwal mentoring tidak harus sama setiap minggunya.
- Jika ada perubahan jadwal mentoring karena hal **mendesak/darurat**, mentor mohon konfirmasi ke **Operasional Purwadhika** secepatnya.
- Mentor wajib mengisi *form* absensi yang akan diberikan Purwadhika di setiap sesi *Mentoring* dan melaporkan ke *staff* operasional Purwadhika setelah periode *bootcamp* selesai.
- Kegiatan mentoring akan menitikberatkan pada *technical issue* dan *problem solving*.
- Kegiatan mentoring akan dilaksanakan secara **online via Zoom** dimana setiap kelompok akan disiapkan **room meeting** untuk *mentoring* dengan mentornya masing-masing.
- Mentor tidak diwajibkan untuk menjawab pertanyaan di luar jam mentoring.

Final Project Presentation

- Setiap kelompok yang telah menyelesaikan *bootcamp* akan diberi kesempatan untuk mempresentasikan hasil *project* yang telah dikerjakan dalam *Final Project Presentation*.
- Presentasi diwakili oleh satu anggota kelompok. Tapi, seluruh anggota kelompok harus siap menjawab dan menjelaskan setiap tahap di project-nya, meskipun bukan bagian yang dikerjakan.
- **Penilaian** *final project* akan dilakukan untuk **satu kelompok** berdasarkan kriteria penilaian yang telah ditetapkan oleh Academic Team.
- Sebelum presentasi, penguji bisa mengambil nilai awal dari Notebook Project.
- Durasi presentasi **20 menit** dan tanya jawab **40 menit**.
- Tim penguji: **Guest Mentor** dan **Academic Team Purwadhika**.
